Whilst food safety is our highest priority, please note whilst we try our best to ensure your food is suitable for you, our dishes are prepared in areas in which allergenic ingredients are present. The menu shows which dishes do not contain certain allergenic ingredients as intentional ingredients, however we cannot guarantee that dishes are 100% free from these ingredients due to the preparation process. If you have a food allergy, intolerance, or coeliac disease – please speak to the staff about the ingredients in your food and drink before you order. Thank you.
